http://tdc-www.harvard.edu/mthopkins/obstours.html
McDonald Observatory is included in this list.

Civil War Battlefield Tours
http://www.geocities.com/Pentagon/Bunker/8757/cwvirtual.html

Field Trips Site
http://www.field-trips.org/
The Field Trips Site is targeted to K-12 education and features a range of field trips on nature topics: Rainforests, Endangered Species, Salt Marshes, Volcanoes, and more. A good resource for classroom use, with teacher’s objectives and resources are provided for each trip.

Alcatraz
http://www.nps.gov/alcatraz/tours/
Tour America's famous Alcatraz Prison.

The Field Museum
http://www.fmnh.org/exhibits/online_exhib.htm
Online exhibits: dinosaurs, butterflies, Cleopatra, etc.

The Virtual Smithsonian
http://2k.si.edu/
The Virtual Smithsonian highlights over 360 artifacts from the 14 Smithsonian museums along with a virtual walk to the Castle. This website is based on the traveling exhibit, Celebrating 150 Years, America’s Smithsonian. Included in the exhibit are high-resolution images, video and audio clips, and artifacts, which rotate in 3-D and morph into other artifacts.
